CORIOLAN SUCIU

(1895—1967)

În timp ce volumul I al *Dicţionarului istoric al localităţilor din Transilvania* se găsea în faza finală de tipar, alcătuitorul său, Coriolan Suciu, după o scurtă suferinţă, a decedat, nereuşind astfel să-şi mai vadă rodul muncii de ani de zile.

Cine l-a cunoscut pe profesorul Coriolan Suciu nu-l poate uita cu uşurinţă şi degrabă, pentru omenia lui, pentru ştiinţa sa, pentru dorinţa de a sta în ajutorul oricui, tînăr şi mai vîrstnic, cu sfatul şi cu informaţia. Şi Coriolan Suciu le putea da pe amîndouă deopotrivă, deoarece în viaţa sa, care poate fi asemănată cu aceea a unei albine, a adunat mereu, din cărţi şi din viaţă, tot ce era bun şi folositor pentru cultura românească, pentru propăşirea poporului.

Ca profesor de istorie şi director al liceului de mare prestigiu din Blaj aproape 40 de ani, sporindu-i el însuşi faima prin munca şi priceperea sa, Coriolan Suciu a educat şi a instruit generaţii după generaţii de copii modeşti, dar dornici de învăţătură, adunaţi de pe toate meleagurile Transilvaniei. Le-a fost acestora şi dascăl, şi părinte în acelaşi timp, dascăl învăţat şi părinte iubitor.

Era o tradiţie prestigioasă a şcolilor din Blaj ca dascălii lor să fie şi fruntaşi în ogorul ştiinţei, fiecare în domeniul său. Mai era apoi tradiţia cultivării studiului istoriei, de la corifeii Şcolii ardelene moştenită. Coriolan Suciu, cu o bună pregătire la şcolile din Cluj şi Budapesta, întregită la cele din Paris, a cinstit această moştenire prin cercetările sale în ogorul istoriei Transilvaniei vreme de peste patru decenii. Rodul acestei preocupări nobile sînt numeroasele sale studii despre răscoala ţăranilor din 1784 şi despre conducătorul ei, Horea, despre perioada premergătoare revoluţiei din 1848,

https://biblioteca-digitala.ro

despre unele aspecte majore ale revoluției însăși — domeniu în care lucrarea sa de doctorat, *Cum a fost pregătit* 3/15 mai 1848, este și astăzi deosebit de utilă —, despre perioada de după 1848 și despre personalitățile marcante politice și culturale (Bariţiu, Bărnuţiu, Mureșenii), păstrîndu-și valoarea pînă astăzi bogata corespondență dintre Ioan Maniu și Simion Bărnuţiu, publicată de prof. C. Suciu.

Pasiunea și migala sa de cercetător al trecutului istoric al poporului român i-au dat puteri și la vîrsta cînd alții de-abia așteaptă vremea odihnei. La Institutul de istorie din Cluj a muncit cu rîvnă în diferite colective, de indice, de documente, adunînd mereu fișe peste fișe, valorificate în lucrarea de față, a cărei utilitate ca instrument de lucru pentru orice istoric și filolog este inestimabilă: *Dicționarul istoric al localităților din Transilvania.*
